

QUESTIONS TO BAHRAIN – ADDENDUM 2

NETHERLANDS

- Which measures are taken to improve the situation of prisoners, and in particular access of family, as well as doctors and lawyers?
- Could the delegation elaborate on the (legal) position of female guest workers? Does the government take any special measures to ensure that their rights are respected?
- What is the position of human rights NGO's? Is it possible for them to freely operate? Are there any restrictions for their activities?
