Re: The Countries review , Cuba's Universal Periodical Review ,
In the second cycle , April / May , 2013 .

On behalf of the Lao - Cuba Freindship Association and the Lao people , let me extend our heartfelt congratulation for the outcome of implementation of human right in Cuba . In particular the national report of the Republic of Cuba under the Univesal Periodic Review (UPR) which take place in the council of Human Rights In Geneva . The Lao people as well as the progressive people and the justice loving forces over the world profoundly understand the just policy of the revolucionary government of Cuba in terms promotion and protection of human rights which has been clearly stated on the Constitution of Cuba and related juridical Instruments . Furthermore, we have noted that Cuba has actively cooperated wth all mechanisms and conventions of the United Nations concerning the protection of human rights ,
